

## EARTH IS FLAT AWAY FROM HERE AND NOW

"A DIVERSE SET FROM A DUO  
WHOSE PRODUCTION CHOPS ARE  
ALREADY WAY AHEAD OF THE PACK"  
- [BLEEP.COM](http://BLEEP.COM)

EARTH IS FLAT ARE PRODUCTION AND TURNTABLIST DUO  
KAMIL BOGUSLAWSKI & KAMIL ILCEWITZ.

ORIGINALLY FROM POLAND AND NOW BASED IN THE WEST  
MIDLANDS, OVER THE LAST FEW YEARS THE DUO HAVE BEEN  
STEADILY DEVELOPING THEIR UNIQUE BLEND OF POLAND'S  
UNDERGROUND DUB HERITAGE, APPRECIATION FOR WIDER  
CULTURAL INFLUENCES AND A SHARP EYE ON THE EVER  
EVOLVING BASS-HEAVY, ELECTRONIC MUSIC LANDSCAPE,  
WHILE FREQUENTLY COLLABORATING WITH VARIOUS LOCAL  
& INTERNATIONAL MUSICIANS, MCs, VOCALISTS AND MORE.

IN THE LAST FIVE YEARS THEY HAVE PLAYED THE LIKES  
OF THE [SHAMBHALA FESTIVAL](#) (NORTHAMPTONSHIRE),  
[20RPM FESTIVAL](#) (LONDON - SUPPORTING THE LEGENDARY  
[PLAID](#) AND [BOLA](#)), [DROP BEATS NOT BOMBS](#) (BIRMINGHAM)  
AND [PROUD CAMDEN](#) (LONDON), ALL WHILE SLOWLY BUILDING  
AN ARCHIVE OF ORIGINAL TRACKS, COLLABORATIONS, MIXES  
AND EXPERIMENTS.

THESE HAVE FINALLY BEEN HARVESTED TOGETHER IN THE  
SHAPE OF THE PAIR'S DEBUT MINI-ALBUM, '[AWAY FROM  
HERE AND NOW](#)' - RELEASED BY LONDON BASED ELECTRONIC  
MUSIC LABEL, [BIT-PHALANX MUSIC](#), IN JANUARY 2016.

IN THE BAND'S OWN WORDS:

"WE WANT TO CREATE WELL BALANCED MATERIAL.  
SOMETHING THAT WOULD CONNECT ELECTRONIC MUSIC  
WITH RAW SOUNDS, FIELD RECORDINGS, INSTRUMENTS AND  
VOCALS. TRIPPY MELODIES AND DEEP BASS, MEDITATIVE  
FEELING AND HONOURING OUR LONG-STANDING DUB  
INFLUENCES. BUT ALSO SOMETHING THAT CHALLENGES.  
LIKE A CALM OCEAN JUST BEFORE A STORM.

"[AWAY FROM HERE AND NOW](#)" IS DEFINITELY A TRIP  
THROUGH THESE FEELINGS AND MOODS. A JOURNEY  
THROUGH THE CONCRETE JUNGLE AND REAL NATURAL  
FOREST. A TRIP INTO SPACE, WHERE TIME DOES NOT  
EXIST. WE FEEL OUR MUSIC HAS NO BOARDERS OR  
LIMITATIONS. EVERYTHING AND NOTHING. WE HOPE  
THIS MINI-ALBUM GIVES YOU A TASTE INTO HOW WE  
EXPERIENCE ALL OF THESE, WHILE GIVING YOU AN  
EXPERIENCE FOR YOURSELF."

"[AWAY FROM HERE AND NOW](#)" FEATURES APPEARANCES FROM  
MC [STEFAN QUARRY](#) (AKA: [STEGAFEGAN](#)), VOCALS BY [MARI  
PETTERSEN](#) AND [MICHAEL HOGBIN](#), AND [EARTH IS FLAT](#)'S  
OWN RE-INTERPRETATION OF CULT UK SINGER / SONGWRITER  
[BENJAMIN YELLOWITZ](#)'S TRACK '[BLUE LIGHT](#)'. ARTWORK FOR  
THE RELEASE ALSO COMES FROM NOTORIOUS LONDON-BASED  
PORTRAIT & INSTALLATION ARTIST, [JOHN LEE BIRD](#).

[EARTH IS FLAT](#) WILL BE PLAYING LIVE AROUND THE UK  
THROUGHOUT THE SPRING AND SUMMER (DATES TBA), AND  
HAVE REMIXED THE TRACK '[THE ART OF LOVE](#)' BY FORMER  
[SNEAKER PIMPS](#) LEAD SINGER [KELLI ALI](#), WHICH IS TO BE  
RELEASED IN FEBRUARY.
